

Newly arrived!

Egyptian Oils of Enlightenment ~ Especially chosen for you by Almine!

Now you can enjoy the mystical gifts of oils prepared according to the ancient Egyptian way.

“Each oil or blend has been specifically selected and created for a very special quality its fragrance possesses: It reminds men and women of the wholeness and rapture that was innate to their gender before duality.”

Almine has revealed that scent has the ability to remind us of the Oneness that we can experience as we transcend duality. “Smell is the only sense that was not affected by the Fall of Consciousness.”

A unique laminated sigil comes with your fragrant oil, prepared by Almine for you. Store your bottle on its sigil to enhance specific properties of the oil.
